REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: none of the prior art either alone or in combination disclose or teach of the claimed combination of limitations to warrant a rejection under 35 USC 102 or 103.

Specifically, with respect to independent claim 1, none of the prior art alone or in combination disclose or teach of a mirror system using a solid-state electrochromic device as claimed, specifically wherein the device comprises metal foil terminals extending between the opposed glass plate and the end of the lower transparent conductive layer and the end of the insulated portion of the lower transparent conductive layer.

Specifically, with respect to independent claim 4, none of the prior art alone or in combination disclose or teach of a mirror system using a solid-state electrochromic device as claimed, specifically wherein the device comprises a metal reflective coating formed into a filmy shape on a glass substrate and a lower transparent conductive layer formed into filmy shape on the metal reflective coating.

Specifically, with respect to independent claim 5, none of the prior art alone or in combination disclose or teach of a CRT display including a filter layer as claimed specifically being comprised of a solid-state electrochromic device which includes a lower transparent conductive layer and metal foil terminals, to which an electrically

conductive adhesive material is applied, at an end portion of the lower transparent conductive layer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
